### ***Inc. Magazine Reveals Annual List of America's Fastest-Growing Private Companies—the Inc. 5000***

**NEW YORK, August 17, 2021** – *Inc.* magazine today revealed that LAUREN COLLANDER INTERIORS is No. 681 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

“Seven years ago, I created a wildly ambitious goal to be as confident in my business as I am in design. I am proud to say, alongside this award from *Inc. Magazine*, we have grown beyond our dreams and exceeded our goals. We are not only a team of incredible designers, but also intelligent business people. We scaled sensibly and effectively over the past 7 years due to our happy clients and their recommendations. We are grateful for our clients that trust us to create a better life for them through interior design.

– Lauren Collander, Founder and Principal Designer

Not only have the companies on the 2021 Inc. 5000 been very competitive within their markets, but this year's list also proved especially resilient and flexible given

2020's unprecedented challenges. Among the 5,000, the average median three-year growth rate soared to 543 percent, and median revenue reached \$11.1 million. Together, those companies added more than 610,000 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000). The top 500 companies are featured in the September issue of *Inc.*, which will be available on newsstands on August 20.

“The 2021 Inc. 5000 list feels like one of the most important rosters of companies ever compiled,” says Scott Omelianuk, editor-in-chief of *Inc.* “Building one of the fastest-growing companies in America in any year is a remarkable achievement. Building one in the crisis we’ve lived through is just plain amazing. This kind of accomplishment comes with hard work, smart pivots, great leadership, and the help of a whole lot of people.”
